

Dear colleagues,

West University of Timisoara is organizing its first ever (Late) Summer School (**August 31st - September 13th 2019**), a multi- and inter-disciplinary event aiming to offer Bachelor or Master students the opportunity to participate in a two-weeks study/training programme, taking place in the future cultural capital of Europe (Timisoara2021), with the possibility of choosing from a variety of courses that mirror the comprehensive character of our university. We welcome applications until August 18th and we kindly ask you to forward this e-mail to your students, together with the attached flyer.

West University of Timisoara (Late) Summer School courses:

- The Right to Environment and the Value of Environment: An Integrated Approach to Environmental Law
- History of the Universe and Cosmology
- Machine Learning
- Design Thinking, your path to innovation!
- Thriving at work in the 21st century: Skills to master
- Visual Communication
- Storytelling
- Debugging English
- New generation of leaders
- Body Language Skills
- Geography using Information Technology

Participation fee (50 EURO): accommodation in WUT dormitories, lunches and a registration kit.
