

**The 6th Balkan Physics Olympiad – BPO6
June 20-24, 2024, Nikšić, Montenegro**

FIRST ANNOUNCEMENT

The Society of Mathematicians and Physicists of Montenegro will organize the 6th Balkan Physics Olympiad – BPO6, a competition addressed to high school students from the Balkan countries. The competition will be held under the auspices of the Balkan Physics Union (BPU) and with the financial support of the European Physics Society (EPS). It will be also supported by the University of Montenegro and Examination center of Montenegro.

The competition will take place from 20 to 24 June 2024 and will be hosted by Faculty of Philosophy, University of Montenegro, Nikšić.

According to the Competition Regulations, each country can be represented by a team of 4 students born after January 1, 2007 or before this date if they are part of the same year of study as the accepted students according to the previous age limit. The team will be accompanied by 2-3 teachers appointed as leader, co-leader and member of the Scientific Committee. Physical participation in the competition (on site) is preferred, but online participation is also possible.

The competition will consist of a single test with 4 problems. The official language is English, but the problems will be translated by one of the accompanying teachers and students can write the test in the official language of their country.

A fee of 100 Euro/participant (student, leader, co-leader) is required, fully covering the costs related to accommodation and meals.

All the information regarding the event (rules, curricula, important dates) will be posted on the Balkan Physical Union webpage <https://balkanphysicalunion.info>.

To request details or to confirm participation and announce the team, the entitled persons may contact the chairman of the BPO6 Organizing Committee, at the address below, until **March 15, 2024**.

We look forward to hosting you in Montenegro.

**Chairman of the BPO Organizing Committee,
Prof. dr Predrag Miranović**
